Strengthening communities, one business at a time

Senior Business Consultants help entrepreneurs access training, business solutions and networking

1:1 coaching

- Structured coaching to help you realize your business goals
- Comprehensive advice for running your business, from business planning to marketing
- Guidance on managing your finances, including credit and proper use of capital depending on your business need

Relevant education

- Seminars, workshops and events on business fundamentals and best practices, including:
 - Operations management
 - Cash flow
 - Business development
 - Access to capital
 - Building a team of trusted advisors
- Resources that help you put your business knowledge to work, including interactive modules and articles on key topics

Access to community resources and banking solutions

- Connections with local leaders, advocacy organizations and other business owners
- Referrals to Chase partners and other local institutions that provide banking and credit solutions

Patrice Darby
Founder, GoLogic LLC

“Having a reliable partner who you can trust to inform your business decisions is one of the most important things you can do as an entrepreneur. Through the Chase for Business program, I now have a clear business development strategy.”
