Project : Million Dollar Charity Donation

Our group values our community, and our mission as a private telecommunication company is to build strong connection with the community, collaborate with our society and improve lives.

We have decided to donate \$1 Million Dollars to a Non-Profit Organization that every single day makes a difference in thousands of lives. A well established organization with high impact in the community. We chose to donate \$1MM to **“Center For Family Services”**.

About the Organization

Center for Family Services

- Well established, non-profit organization devoted to improving the community by tackling different family and social issues
- Center for Family Services more than 70 service locations across the state, mainly in Southern New Jersey
- For more than 90 years, this organization is committed to serve and inspire individuals through a variety of care to the community

Center for Family Services

Mission Statement

The mission of Center for Family Services is to support and empower individuals, families, and communities to achieve a better life through vision, hope, and strength.

Vision Statement

The vision of Center for Family Services is for all people to lead capable, responsible, fulfilled lives in strong families and healthy communities.

Services and Programs

Addiction and Recovery

7 programs for addiction and recovery of different individuals such as youth, adult program including program for the deaf

Victim and Trauma Support

Programs for children or adults who are victims of violence, abuse, and traumatic events, including counseling

Safe and Supportive Housing

Provides housing for individuals who are in need. these range from emergency shelter for youth including mothers and children

Workforce Development

Provides tools and programs to help individuals find jobs including training

Family Support and Prevention

Provides supportive services for families such as parenting programs, after school for children, assisting families in becoming self-sufficient

Objectives of the Organization

Center of Family Services' main goal is to help people to overcome obstacles, to find comfort, and to build the foundation for a successful future

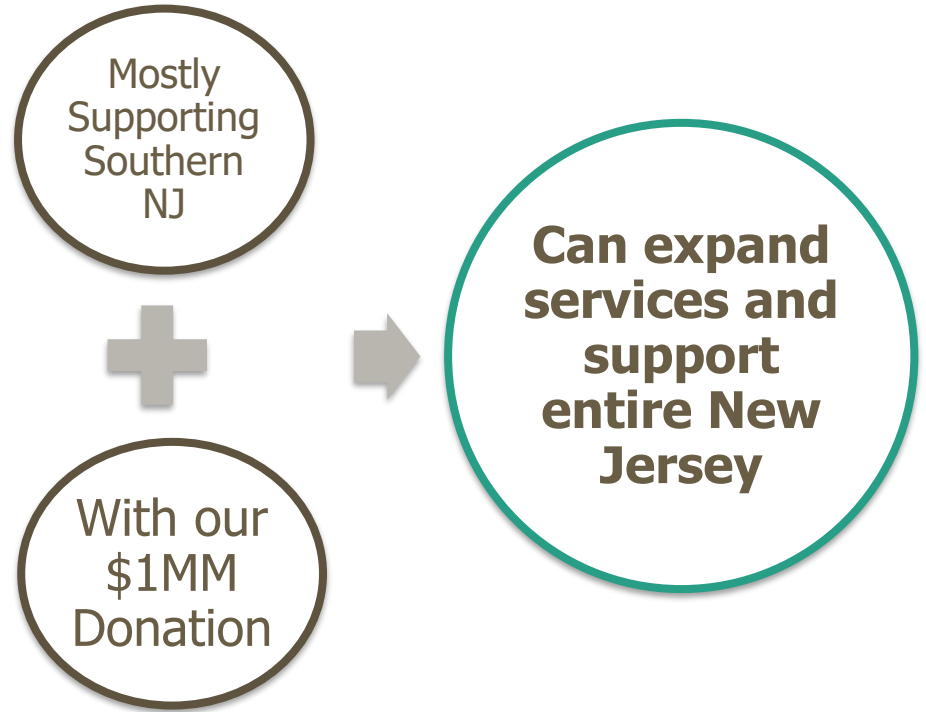

By continually learning and innovating, Center of Family Services focus on expanding its services to meet challenging community needs

Population that it Services

Center for Family Services primarily serves New Jersey's southern region including Atlantic, Burlington, Cape May, Ocean but mostly Camden.

The population of Camden is of 77,344 and is often rated as one of **the most dangerous** city in the United States. The population of Camden is composed of 48% African American and 47% Latinos and Hispanic.

492

Children were provided with housing

In 2017
Center of Family
Services
Impacted
Thousand of
Individuals

Long Term Impact in the Community

Center for Family Services not only help thousands of people but those who were helped have been impacted long term

Numbers speak for themselves

- 100% of young adults in one of their programs are employed or receiving education
- 86% of people in workforce development are employed or continue to get education
- 82% of children in emergency shelters were placed with families or reunited with their own
- 91% of victims of domestic violence received education in how to protect themselves

Nationally Recognized Organization

- It is involved in aiding children who have been taken into custody by immigration services and reuniting them with families and has been praised for their care of these children
- Collaborates with local governments to increase workforce development programs and help individuals find work

Why Center for Family Services deserves a \$1MM donation?

- ❖ They have systematized their organization to service any individual in need of help in a vast variety of areas.
- ❖ Initiative to take children in who have been separated from their families or have been taken into custody by immigration services.
- ❖ Constantly Helping the Community, whether it's a young person in need of the support of a mentor or a teen without a safe place to call home, from a family facing trauma to a person seeking help for addiction.
- ❖ They honor diversity and provide services with sensitivity to differences in race, culture, gender, language, age, religion, disability, and sexual orientation.
- ❖ They established their organization with solid foundations, continually learning, adaptive, and innovative, always expanding services to meet challenging community needs.

**Wondering how
the donation will
be used?**

Center for Family Services Current Needs

Medical Services and Supplies

Supportive Service for Children with medical needs. Need collaboration of doctors, schools, landlords to ensure child's medical needs are met

Need help expanding services to Central and Northern Jersey

Housing Budget

Need help with temporary financial support program, housing relocation, to individuals and families in the Southern area

Need help expanding services to Central and Northern Jersey

Counseling

Could use additional resources in supporting homicide survivors, domestic violence survivors, and behavioral counselors.

Need help expanding services to Central and Northern Jersey

Providing Education, Counselling and Support

Do you know that ...

1.2 million students drop out of high school each year in the US?

2 in 3 children are not able to read by the 4th grade and 80 % of them are from low income families?

- With your donation, Center of Family Services can keep creating a solid educational foundation that prepares children for success in the global economy.
- Can pair children with mentors that support and encourage them to make safe and healthy decisions.

Do you know that ...

1 in 5 women and 1 in 71 men are victims of rape every Year?

27.5 Million teens are estimated to have substance dependency in 2020?

- With your donation, Center of Family Services can enhance programs that help people battling substance abuse.
- Can also help dealing with trauma of homelessness, abuse and sexual or domestic violence.

Providing Housing and Quality of Life

Do you know that ...

Over 1.7 million teens experience homelessness in the US?

There are approximately 8,532 homeless men, women, and children across the state of New Jersey?

- With your donation, Center of Family Services can restore hope for a young person who has nowhere to turn by providing safe housing and the love and encouragement that every child deserve.
- With your donation, Center of Family Services can double their 14 unique safe homes across New Jersey.

Do you know that ...

That New Jersey is #7 in the ranking of Overall Poverty Rate?

10 percent of New Jersey's population lived below the poverty line in 2017?

- With your donation, Center of Family Services can break the cycle of poverty by helping people overcome obstacles, recognize their strengths.
- With your donation, can also help people identify and pursue their passions, and experience a quality life.

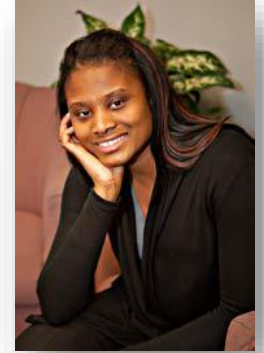

How this donation will impact our community?

- Help children get education, education is a key for breaking the cycle of poverty
- Get proper counseling for victims of abuse
- Help break the cycle of addiction
- By helping families become self-sufficient, providing with counseling, health, and housing assistance, and many other services, this donation will help the community itself heal and grow from years of violence and trauma
- Counseling helps people that are victims of trauma deal with their emotions and develop coping mechanisms which can lead to the prevention of behavioral problems in children as teens and adults. These programs are usually heavily underfunded

Conclusion

To conclude, with our \$1MM donation, Center for Family Services will continue supporting the community with different programs such as safe and supporting housing, service for victims and trauma, development of the workforce, early childhood education, addiction recovery and counseling.

At this moment, they are concentrating on Southern Jersey, but with our donation they will **be able to expand their services to Central and Northern Jersey**, touching and improving thousands of lives.
